Pause And Reflect

Hello Families,

Throughout our lives, we all take a minute, breathe deeply and pause and reflect. In July, it was our turn. We hit the ground running wanting to know what you think about Team Daniel and the new magazine, EMPOWERED.

We asked the questions and you all flooded up with your ideas, opinions and thoughts for the future, thank you! In the coming months you might notice some of your ideas in action.

Our main focus is providing you with the most professional, up-to-date, and family oriented service as possible.

Please don't forget the lines of communication are always open. You don't have to wait until the surveys to let us know what you think and what you feel. We're here, so give us a call or use one of the methods below.

Talk with you soon!

Sundown, Written by: John Charles McNeill

"Hills, wrapped in gray, standing
along the west; Clouds, dimly
lighted, gathering slowly; The star
of peace at watch above the crest
– Oh, holy, holy, holy!

We know O Lord, so little
what is best; Wingless, we
move so slowly; But in thy
calm all-knowledge let us
rest– Oh, holy, holy, holy!
