Asheville Focus Group

Hello Families!

Can you believe that December is here already? That means that the Holidays are right around the corner! Team Daniel would like to thank all of those who came and participated in the Asheville/ Hendersonville Focus Group. It was a great success and it would not have been possible without the attendance of all our families in the area.

We talked about many important issues at the focus group. Health

issues seem to be a big concern this time of year, especially with the H1N1 flu going around. Everyone is trying their hardest to stay healthy. Safety is also another big concern for families.

We were also lucky enough to have some of our Respite Fund candidates join us at the focus group. These candidates will be receiving respite services from Team Daniel. It was a great opportunity to meet them and introduce ourselves

and we are so glad that they were able to attend.

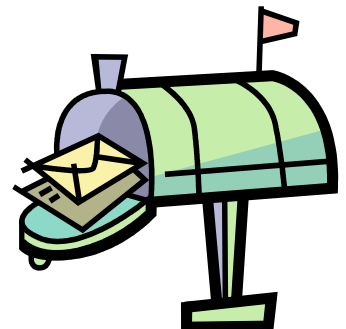

We also talked about **GoodSearch.com** and **GoodShop.com**. Remember to use these websites when doing online searches and shopping. Every time you utilize these websites money is donated to the Team Daniel Foundation!

Last, we talked about Team Daniel's new address. Don't forget that we are moving and our new address will be effective December 1, 2009!

EMPOWERED

It's that time again! Time to get EMPOWERED!

The December issue of EMPOWERED will be mailed the first week of December. We hope you enjoy it! If you have any article ideas or things that you would like us to include in future issues of EMPOWERED let us know! Send your ideas to jgreen@teamdaniel.info. Our goal is to give you the most up to date information and resources about developmental disabilities.
