**Take a Look at Our New Logo!**

Hello All!

February is another new and exciting month for all of us at Team Daniel! The year has gotten off to a great start and we are working harder than ever to give all of you the best service possible. One of the newest changes here at Team Daniel is our new logo. You might have noticed it on our website and elsewhere, but here is the official unveiling of the new Team Daniel logo! From now on, all forms sent to Team Daniel should have this logo on it.

**The Team Daniel Blog**

If you are interested in learning more about fun and exciting events around North Carolina and events that Team Daniel takes part in, then the Team Daniel Blog is a must read! Every month our blog is updated with information that we think all of you would be interested in reading and learning about. Recently, we have blogged about the documentary *A New Kind of Listening*, the Arc of North Carolina's quest to collect 1,000 stories about how budget cuts have affected us all, and Team Daniel's participation in the Jingle Bell Jog. **Special Events!**

The President of Team Daniel, Denise Mercado, has been asked to be the keynote speaker at the University of North Carolina Pembroke for their 18th Annual Social Work Symposium. This event will take place on Friday, February 26, 2010. For more information about this event or if you are interested in attending, please visit the Team Daniel website at [www.teamdaniel.info](http://www.teamdaniel.info) under the Newsletter/Events section.

**CULTURAL AWARENESS**

In becoming **Culturally Aware**, people realize that we are not all the same; similarities and differences are both important, there are multiple ways to reach the same goal and to live life. Each situation is different and may require different solutions.

**CQL Visit**

Team Daniel is also getting ready for a second visit from The Council on Quality and Leadership (CQL), our accrediting body. The visit will take place March 22-24, 2010. Some families may be contacted in the near future to attend a focus group, which is one of our requirements from CQL. More details about the visit will be available soon.

## Valentine Smile

On Valentine's Day we think of those  
 Who make our lives worthwhile,  
 Those gracious, friendly people who  
 We think of with a smile.  
 We are fortunate to know you  
 That's why we want to say,  
 To rare and special people;  
 Happy Valentine's Day!
