New Year, New and Improved Mission, Vision, and Values

Hello Families!

The new year has finally arrived and that means big changes for Team Daniel! The new year is an excellent opportunity for all of us to reevaluate every aspect of our lives, and for Team Daniel this means making changes that will let us better serve all of you.

We recently moved in to our new office and we have a new toll free number and E-fax line (see new numbers and addresses on back).

The beginning of another year makes it a great time to look over and share the Team Daniel Mission, Vision, and Values to remind us of what we are all working so hard for!

Mission

The mission of Team Daniel, LLC is to provide quality supports through the Principles of Self-Determination, promotion of social capital, and building bridges to community resources for individuals receiving North Calina CAP MR/DD funding.

Vision

People are unique. They have their own personal needs and goals

Be the Best of Whatever You Are

If you can't be a pine on the top of a hill
Be a scrub in the valley, but be the best little scrub on the side of the hill

Be a bush if you can't be a tree,
If you can't be a bush be a bit of the grass
And some highway happier make.
If you can't be a muskie, then just be a bass,
But the liveliest bass in the lake.
We can't all be captains, we've got to be crew,
There's something for all of us here.
There's big work to do and there's lesser work, too,
And the thing we must do is the near
If you can't be a highway, then just be a trail.
If you can't be the sun, be a star.
It isn't by size that you win or you fail.
Be the best of whatever you are.
