TTYs! (Talk To You Soon!)

Hello Families,

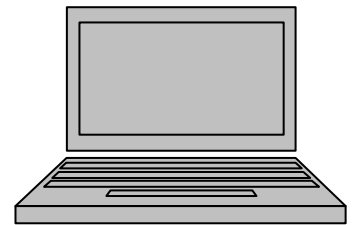

We are constantly looking for new and better ways to connect with you. *EMPOWERED* is taking off, we are learning more about your daily lives through our focus groups and have greatly increased our presence on the internet!

That's right! Team Daniel is now "social networking". What does that mean, exactly? We have created our own Myspace page. Here you can learn more in-depth information about our presentations and focus groups. Also, Blogspot and Gmail users are now able to read the official Team Daniel blog.

The blog adds a personal touch where you least expect it, on

the internet. We will feature current CAP MR/DD legislation information, highlights from our focus groups and other state events as well as give you more insight into our team. Also wanted to know our favorite band or restaurant? You will soon!

We are also very interested to know what you think about *EMPOWERED* and our communication mediums. Please feel free to reach out to your Regional Manager or a member of the Communications Department with any ideas you have for us.

From, "A Return to Love" by Marianne Williamson

Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our Light, not our Darkness, that most frightens us. We ask ourselves, who am I to be brilliant, gorgeous, talented, fabulous? Actually, who are you NOT to be? You are a child of God. Your playing small does not serve the world.

There is nothing enlightening about shrinking so that other people won't feel unsure around you.

We were born to make manifest the glory of God that is within us. It is not just in some of us; it is in everyone. As we let our own Light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.

Main Office Closings

Our office will be closed on July 3rd in observance of the Independence Day holiday.
